

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA -- JULY 26, 1972

New homes grace the southeastern area of Drayton Valley as construction sets a fast pace.

HOUSING ON UPSWING

Building is in full swing in four subdivisions as the weather appears to be breaking in favour of the contractors.

With the senior citizens project leading the way to completion, many homes are being constructed and are nearing the final stages.

Striking lumbermen on the coast forcing an increase in material, plus the annual rise in land costs have spurred some future builders to an early start.

C. M. H. C. mortgages

(being serviced by banks) are at comparatively reasonable rates and rumors of some inflationary factors are causing many to look at land and home investments now.

Of interest to many is the fact that some of the homes in Drayton Valley are owner built and in particular some are being built by husband and wife teams.

The trend appears to be swinging to slightly larger homes and most appear designed for three bedrooms.

Five homes are well un-

derway in the southeast subdivision, with another six starts in the Hillcrest and Parkview subdivisions. The northernmost subdivision on 50 St. has three homes (one completed).

The senior citizens home is now roofed and the partitions and flooring are near completion. Its location is superb and affords a marvelous view. With a park rumored for the north boundary of this area, the whole project appears as an excellent site for this structure.

Many of the area's elderly citizens are to be seen periodically walking through the future grounds with a look of anticipation.

M.P. to Visit Constituency

M.P. Allen Sulatycky reports from Ottawa his intention of visiting as many Rocky Mountain Constituency points as possible during parliament's summer recess.

Mr. Sulatycky would be happy to meet constituents to discuss matters relating to the federal government.

He will be in the following area points on the days indicated followed by telephone numbers you may call to make arrangements to see him. August 14, Drayton Valley, 542-3073; August 15, Evansburg-Entwistle, 727-2211 or 727-3751; and August 16, Wildwood, 325-3746.

Baseball Tourney

The Drayton Valley Baseball Club will be hosting an eight-team ball tournament at West Valley Lions Park Saturday and Sunday, July 29 and 30.

Camrose will meet the Edmonton City Police at 10:30 a.m. Saturday; Warburg Buffaloes versus the Edmonton Cardinals at 1:00; Drayton Valley faces Devon Kings at 3:30; and Swan Hills plays the Mayerthorpe Mustangs at 6:00 p.m.

All games will be nine innings, with the semi-finals going on Sunday at 12:00 and 2:30, and the finals at 5:30 p.m.

There are 200 known causes of Mental Retardation; in many cases the cause is still unknown.

Neptune Swimmers Win Local Trophy for Fifth Year

The Drayton Valley Neptune Swim Club held their annual Invitation Swim Meet July 22. Teams competing were from Edson, Fort Saskatchewan, Hinton, Leduc, and Drayton Valley.

The Cities Service Trophy was won for the fifth year by the Drayton Valley Club with 398 1/2 points. Other standings were Edson 308-1/2, Fort Saskatchewan, 193-1/2, Hinton, 182, Leduc 169-1/2.

Over 200 swimmers took part in the meet, with 10 swimmers in most events.

The Drayton Valley Neptune members placed as follows:

Women's Open 200 Free, 3, Debbie Daviduk; Boys 8 and under Fly, 2, Ricky Boles; Girls 8 and under Fly, 3, Connie Marfleet; Boys 9 and 10 Fly, 3, Daryl Boles; Girls 9 and 10 Fly, 2, Kelly Vig, 4, Karen Balen; Boys 11 and 12 Fly, 3, Brent DesBrisay, 4, Brent Erickson; Girls 11 and 12 Fly, 1, Marlene Daviduk, 2, Terri Bannard; Girls 13 and 14 Fly, 2, Debbie Daviduk; Men's Open Fly, 1, Lorne Regnier, 3, Dean Samis; Women's Open Fly, 4, Brenda Streit.

Service Rewarded

Thirty northern and central Alberta residents have been recognized by the Canadian Federation of Amateur Baseball.

They are among 50 recipients of Scrolls of Merit in Alberta, honoring them for their outstanding service to amateur ball.

The scrolls are being awarded in conjunction with Canada's second annual Amateur Baseball Week, which runs until July 30.

Area residents receiving recognition are: Ben Grohn of Warburg, ABA northern zone director; Leeson Ruff, Warburg; Chuck Kulak, Stony Plain; Walter Case, Tomahawk; and Mike Gormley, Drayton Valley.

Local Team Wins Edmonton Race

Two Drayton Valley canoeists, in a canoe that looked like a racing shell, won the A series event for boats 18 1/2 feet long in the K-Days canoe race Sunday.

Vic Maxwell and Dave Elery would have liked the river a little higher and a little faster, but their winning time of two hours, 17 minutes and 10 seconds which included portages at Whitemud Creek and Laurier Park was considered good.

Second place went to two

Calgary stokers, brothers Wayne and Jack Morris who completed the distance from Devon in two hours, 19 minutes.

"We were specially pleased that the Ministry of Transport saw fit to declare this day a water regatta," said one of the organizers, Francis Tally. "The result was that there was better control over the boats on the river and as a consequence we didn't have one competitor swamped."

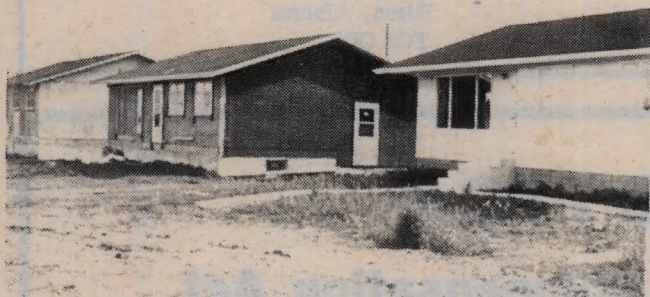

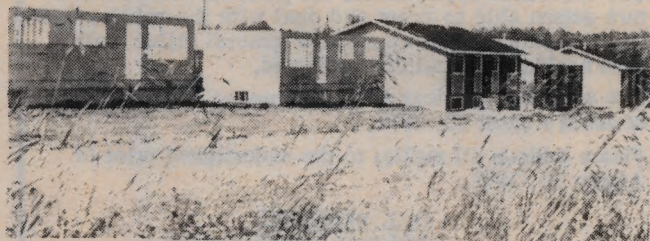

Rotary Club Sponsors Campers

Two Drayton Valley students, Dolly and Jean Rudski, have been sponsored by the Rotary Club to attend the Surprise Lake United Church Camp near Edson the first week of August.

Kathy and Steven Streichland also attended the camp July 15-21.

JULY IS SALAD MONTH

The list of salad vegetables available on today's market is endless -- from endive to escarole, avocado to cauliflower.

July has been named Salad Month, a time to experiment with new salad ideas and ingredients.

SALAD CARE

A crisp cool salad begins with proper care and storage of vegetables purchased. Trim any greens before refrigerating, remove any bruised or wilted leaves. Don't wash the vegetables unless you are ready to make a salad. Then wash and drain the leaves well, removing all excess moisture. Moisture on the leaves will prevent salad dressing from clinging, forming a puddle of dressing in the base of the

salad bowl, a sign of a soggy, unappetizing salad. Tear rather than cut the greens into bite sized pieces to produce a crisp salad.

Familiarity with a wide variety of greens adds excitement to the summer salad menu. Butterhead lettuce has a soft delicate buttery flavor, romaine adds crispness and bite, curly endive is tangy and tempting. Use red cabbage for a color variation. Salad greens form the base of the salad, other additions aid in texture, flavor and color variations.

Raw cauliflowerettes, sliced radishes and celery sticks add crunchiness. For color contrast add carrot curls, cheese cubes or black olives.

For an interesting flavor addition, sliced avocado is hard to beat. Avocado chosen for immediate use should be soft to the touch, hard fruit will ripen at room temperature within a few days.

To prepare an avocado for use, slice in half and rotate slightly to loosen the flesh from the stone. If the avocado is ripe, it will separate easily. Then pull the peel away from the flesh, a slight sprinkling of lemon juice prevents the flesh from darkening.

Avocados can be served in a variety of ways - serve halves as an individual salad, the centre stuffed with a chicken or tuna salad mixture.

The final touch to any salad is the dressing. Add the dressing just before serving and toss lightly using a rolling motion, be sure not to over toss.

Serve the salad immediately -- crisp, cool and crunchy.

Residential construction is in full swing at several town locations.

Summary Regular Meeting Parkland County Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the county office at Stony Plain, Alberta on Thursday, July 6. Minutes recorded by secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Ivan Vowk, Councillors Jacob W. Fuhr, Maurice McCullagh, George Mann, Peter Bakker and Robert A. B. Bailey.

Council at this time gave consideration to passing a by-law in connection with the proposed expropriation of land owned by Mr. Wm. Emack of Winterburn. The land to be expropriated being a portion of Lot E, Plan 5365 M.C. in the SW 13-53-26-4.

Due to further information received regarding this proposed expropriation it was agreed that Council defer the passing of this by-law to the July 20, 1972 Council Meeting.

Mr. E.M. Danchuk of the Department of Highways and Transport was present and discussed with Council matters concerning the Secondary Highways System and the intentions of the Department of Highways and Transport in the planning of construction of these roads.

The minutes of the last regular meeting held on June 22, 1972, copies of which were forwarded to each Councillor, were accepted.

TRAFFIC CONTROL

A proposed by-law to control and regulate traffic and pedestrians on roadways and streets within the County was presented to Council for consideration.

It was agreed that such a by-law be passed and that the matter of load limits on certain roads be referred to the Public Works Department for designation.

BY-LAW NO. 15-72

By-law No. 15-72 to control and regulate the use of Highways, Roadways and Streets within the County, the traffic and pedestrians moving thereon and parking

of vehicles on the said Highways, Roadways and Streets received first, second, and by unanimous consent of the Councillors present, a third reading and finally passed.

Mr. Keith Nicol, County Police Chief, was present and informed Council that the special police constable at Wabamun had resigned due to a transfer in employment and requested the appointment of a replacement.

It was agreed to accept the recommendation of the Police Chief, Keith Nicol to appoint Mr. Fred Lindsay of Wabamun as a Special Police Constable for the County of Parkland.

A request from Mr. and Mrs. R. B. Fuchs of Stony Plain for an Easement for a roadway across the SW 27-53-1-5 to provide access to residents in the NW 27-53-1-5 was again considered by Council.

It was agreed that an Easement for a roadway across the SW 27-53-1-5 be granted on condition that Mr. and Mrs. R. B. Fuchs be responsible for complete maintenance of the said roadway and also that no school buses will be authorized to travel this road to pick up school children residing in the NW 27-53-1-5.

Consideration was now given to pass a by-law to close the road allowance between the NE 35 and NW 36-50-27-4 as an application to lease same had been received and approved.

Due to a request from an adjoining property owner for more information concerning the closing of this road allowance it was agreed that this matter be held in abeyance until the July 20 Council Meeting.

BY-LAW NO. 16-72

By-law No. 16-72 providing for the closing of a portion of the street right-of-way, twenty five (25) feet in uniform width, adjacent to the west boundary of Block C, Plan 4321 M.C., Wabamun received first and second reading.

BY-LAW NO. L-14-72

By-law No. L-14-72 for the leasing of Park Reserve Lot R1, Plan 2469 R.S. in the NE 13-51-27-4 for 1972 to Mr. Ed. E. Hennig at a rental rate of \$25.00 per annum received first, second, and by unanimous consent of the Councillors present, a third reading and finally passed.

IRRIGATION PROJECT

Letter and a copy of a plan dated June 27, 1972 from the Department of Highways and Transport requesting County approval on the Ducks Unlimited project was presented to Council for consideration.

It was agreed that the County give its approval to the above proposed Irrigation Project in the NW 34-53-7-5.

Councillor Bakker recorded a negative vote.

Letter dated June 27 from Town of Drayton Valley airport requesting comments and opinions for a special development plan for the Drayton Valley airport site and adjacent areas was presented to Council. It was agreed that Council meet with the Drayton Valley Airport Management Board to discuss this proposed development plan.

A Lease Agreement between the County of Parkland, No. 31, Lessor, and the Stony Plain Lac Ste. Anne Health Unit No. 17, Lessee, covering lease of the new office building was presented to Council for consideration. It was agreed that this Lease Agreement be approved and the necessary signatures authorized.

WATER LINE SERVICE

Letter dated June 22 from the Nu-West Land Development requesting information concerning County policy on property owners in the area asking to tap into their water supply line to West View Village Mobile Home Park, located in the NE 1-53-26-4, was submitted to Council for consideration. It was agreed that Council request a proposal from Nu-West Land Development with regard to residents in this area tapping into their water supply line.

Mr. Robert Cochrane of Strong, Lamb and Nelson Ltd., Consulting Engineers, was present and submitted a written report on a feasibility and cost study concerning the Hamlet of Rocky Rapids proposed sewage disposal system.

Tomahawk News

The ball season is drawing to a close and league games have all been played, and the Parkland County Championships games are now being played.

The ladies' fast ball team is working for the Parkland trophy now (east vs west). The first game against Stony Plain, the winners of the eastern division, was played at Stony Plain on Sunday July 16th with Tomahawk as the winners. On Tuesday night July 18th Stony Plain came to Tomahawk and won. The third and deciding game is to be played this week. The Tomahawk ladies first Provincial game starts on July 29th. We wish them luck.

The Tomahawk Beavers are the winners of the West-

ern Division. This puts them into the Provincial games. Their first two games were played at Tomahawk on July 16 against Eastwood (an Edmonton team) and Tomahawk was defeated in both games. The return games were played at the "Airway Park" on July 23rd and Eastwood again were the winners. The Parkland play off's will start on Tuesday, July 25th.

Ramona had a picnic on July 23rd. The Tomahawk Tom Thumbs and Mosquitos were invited to play. The Tomahawk Tom Thumbs won 8-3 and the mosquitos lost 14-13.

As you probably know Tomahawk didn't have enough Bantam players to make a team so Walter Case,

Terrence Schadeck and Kim Lukanluk joined the Gainford Bantam team. Gainford was the Western Division winner. On Tuesday, July 18th they met with the eastern winners, Stony Plain, at Stony Plain and lost 11-3. Stony Plain came to Gainford on Thursday night and Gainford won 5-4 with the help of two beaver players. The deciding game will be played this week.

Gainford lost all their Provincial games to St. Albert. First games played at Gainford and the last games at Mission Park in St. Albert.

A reminder that all children three years and up are welcome to Vacation Bible School at the Recreation Centre on July 31 to August 4th.

D.V. Highlights

BY MRS. EDITH DEBY

Two of these items should have appeared last week. My apologies. I was gadding.

The Fred Berezowski home was the scene of a family re-union when twenty-six members of the family came. They included Grandam Dul-iuk, Mr. and Mrs. Ian May-be of Missauga, Ontario; Mr. and Mrs. Fred McNally, Sherwood Park; Mr. and Mrs. Don Landers of Drayton Valley. Several relatives from Edmonton were also present.

Mr. and Mrs. John Ewanio, now of Victoria, B. C. were guests of Mr. and Mrs. Earl Thompson for several days. The Ewanios lived in Drayton Valley for a number of years. Mr. Ewanio had a thriving jewellery business; served on town council and both were interested in sports.

Miss Sherral Vowk, whose marriage to Mr. Lenard Urchysyn will be an event of Saturday, was the guest of honour at two bridal showers recently. Mrs. Kenneth Bills was hostess at one held in her home. Mrs. Douglas Neil hosted one held in the Easyford Hall.

Mr. and Mrs. Stuart Jenkins and two of their children visited Mr. and Mrs. Dan Bills. Mr. Jenkins is Mrs. Bill's brother. The Jenkins live in Parksville, B. C.

Reverend McQuaid, who has spent several weeks in hospital following a highway accident, is home and about again. Mr. McQuaid's daughter, Jennifer, was with her father here for ten days.

Our sympathy is with

Frank and Jay Hazzard whose sister, Mrs. Ruby Walden, of Westlock, passed away on July 21 after a lengthy illness. Mrs. Walden leaves one daughter and four grandchildren. An only son lost his life in a drowning accident some years ago.

New Side to Dog Control Problem

A recent news story out of Ottawa reported the death of an 18-month old child who became the first person in Canada to die from roundworm contacted by playing in a park where dogs defecate. At the time of the incident Ottawa hospital officials stated that they have had several cases of roundworm that could be traced to dogs.

Puppies which have not been "wormed" by a veterinarian carry roundworms in their intestines and the infected dog deposits roundworm eggs when it defecates. From this point it's easy to follow the infection of a small child playing in the area who simply by putting his fingers in his mouth could transfer the roundworm eggs to his own intestines. The eggs then hatch and the larvae burrow through the intestine walls into the blood stream, muscles and organs.

The death of one child is a high price to pay for the privilege of permitting dogs to run at large fouling lawns and other areas where children might play. Perhaps it's time to consider this aspect of dog control in our community.

Unfortunate Oversight?

On a walk through the senior citizens new structure, it was noticed that very small foyer windows faced on the beautiful view to the south-west.

Without claiming any professional knowledge, one must wonder that more space was not given to suitable picture windows. Based on the value of the total project we must ask "Is it not possible to take full advantage of the excellent site and the view it affords?"

Don't Invite Burglars

Although it may seem unlikely, the easiest way for a burglar to enter your house is through a door.

The Insurance Bureau of Canada, which represents most of Canada's fire, casualty and automobile insurance companies, says a burglar will invariably try all of the doors in your house before he attempts to get in through a window. Often, the thief will find the door unlocked and that's just like inviting him in.

Even if you lock your doors they are an easy target if there are any glass panes close to the lock. The burglar then only has to break the glass to unlock the door.

If you lose a set of keys to your house, you should immediately have your locks reset. This is especially important if, like many people, your key chain has your identification attached to it.

The only other way into your house, obviously, is through a window. You should make sure all of these are locked and the locking mechanism is in good working order. Breaking glass in a window to gain entry is noisy, but a loose lock can be pried open easily.

When burglars enter a house, the main items they are looking for are those that are easy to carry and easy to sell. Therefore, you should keep a list of such items, as radios, television sets, small appliances, cameras, tape recorders and hi-fi sets. The list, with serial numbers where possible, can help you when putting in a claim to your insurance company.

LEGISLATIVE REPORT

By KEVIN PETERSON

Some gentle pressure from the federal government appears to have convinced Alberta to put off most of its anticipated borrowing this year until 1973.

Provincial Treasurer Gordon Miniely said in Calgary recently that the province now will only go to the market for \$50 to \$75 million this year, instead of the \$150 million that was originally felt needed to finance the record 1972-73 deficit.

The provincial-treasurer attributed the lower figure to improved techniques of cash management that have been carried out under the new Conservative government. But the examples cited by Mr. Miniely are responsible for only a few million in savings -- a far cry from the \$100 million decrease in anticipated borrowing.

But shortly after Mr. Miniely made his statement federal Minister of State for Finance Pat Mahoney said in a Calgary interview the decision "is a relief" for Ottawa.

Mr. Mahoney explained that low interest rates in the United States recently had led to substantial Canadian borrowing there.

The increased borrowing created pressure on the floating Canadian dollar and tends to weaken the country's balance of payments position.

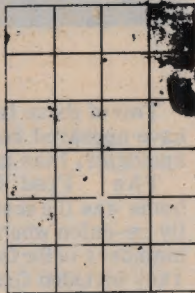

Mr. Mahoney said no pressure had been put on the provincial governments to reduce their borrowings. But it would appear federal reminders, together with the promise of lower interest rates in the future, led to the decision.

Mr. Miniely said his department feels interest rates should drop within the next six months or a year.

"The improvements we have made had allowed us flexibility to ride out the current period of relatively high interest rates for an

Report From Parliament Hill

By Allen Sulatycky, M.P.

The decision by Jean Chretien not to allow Village Lake Louise to proceed will have far-reaching effects.

Mr. Chretien's denial of the proposal has been hailed as a "victory for the people". It will of course be an important milestone in the development of national parks in Canada.

The greatest impact of the decision should and will be felt in Alberta and western Alberta in particular.

Western Alberta has many areas which are suitable for outdoor recreation. The best of these are unquestionably in the mountain national parks. But there are thousands of square miles of excellent recreation land stretching eastward from the parks to the edge of the foothills.

The potential of the foothills region for recreation has gone almost untouched up to now as we concentrated our attention on the national parks.

It is clear from the statements of both the federal and provincial governments on the Lake Louise issue that

extra five or six months in the hope that rates come down slightly," he said.

The main change the new administration has made is to deposit revenue cheques from Ottawa and the petroleum industry immediately, rather than allowing them to be funneled through various departments.

"It is resulting in quite improved cash balances and is reducing our borrowing requirement as well as our need for money at any particular time as well as our interest charges," he said.

"Since the cheques total in the order of hundreds of millions of dollars annually, a considerable loss of interest was resulting from the delay in getting them deposited."

both regard the development of recreation facilities in the foothills as preferable to extensive addition to such facilities in the parks. Canmore, Hinton and Grande Cache have been mentioned as suitable locations for future developments. A number of other localities de-

serve consideration as well.

Some people in the recreation industry already have well-advanced plans for large developments in the foothills and mountain areas outside the parks. The Lake Louise announcement will certainly encourage earlier realization of such plans.

Further impetus should be given to the development of recreation and tourist facilities as soon as the details of the federal policy on tourism are made known. The government has announced that for the first time such a policy on a national basis is being prepared. Obviously one of the areas which will benefit from this policy is Alberta.

I would like to draw your attention to a lime plots tour taking place Tuesday, July 25.

The tour visited five sites in Breton, Evansburg, and Gunn areas. This provided an excellent opportunity to meet all people from the U of A, Canada Department of Agriculture, the Lime Industry and to discuss soil fertility with them.

In Alberta at present there is not a source of market for "agricultural lime". Lime materials used by the building trades, feed mills and for water treatment purposes are expensive in relation to lime sources available in regions in Canada and the U.S. where it is commonly used. Feed grade lime is presently the most practical source but costs \$17-19/ton, F.O.B., Edmonton. (Over half of this cost is for transportation).

portation).

SOIL ACIDITY AFFECTS CROP PRODUCTION

Agricultural lime is suitable for neutralizing soil acidity, which on some soils will significantly increase yields of alfalfa by four or five cwt/acre.

An alternative to liming acid soils is to select crops and varieties more tolerant to soil acidity. Oats and grasses such as timothy and creeping red fescue are among the most tolerant species commonly grown, but when soils are strongly acid (ph. less than 5.0) cropping alternatives are very limited. Large difference in acidity tolerance have been shown among barley and wheat varieties. Including alfalfa in forage mixtures to be seeded on soils below ph. 6.0 is probably a waste of money. Alfalfa does not fix nitrogen efficiently when ph is less than 6.0.

Whether or not field use of lime is practical or economically feasible at present costs, will be determined partially by your soil tests. Soil analysis is useful in determining both the extent and nature of soil acidity problems.

Aluminum and manganese analysis help to predict the degree of soil acidity damage to crops as well as provide information for selection of alternate crops. For example barley is sensitive to aluminum toxicity while rape is sensitive to manganese toxicity.

Letter dated June 26 from Mr. Alvin Kloeck of R.R. 1, Onoway requesting payment for construction of an approach to the SW 5-54-1-5 was presented to Council for consideration. It was agreed that this request be refused as same was not authorized.

Letter dated June 28 from Premier Peter Lougheed acknowledging a submission by Reeve Miller in opposition to a petition to form a County in the western area was read to Council and received for information.

Letter dated June 20 from the Municipal District of Sturgeon No. 90 conveying their appreciation to the County for their contribution of \$18,600 toward the paying project of 125 Ave. between 149 St. and 156 St. was presented to Council and received for information.

A copy of a letter from the Department of Health and Social Development to the Town of Spruce Grove concerning present waste disposal facilities used by residents of the Town of Spruce Grove and residents of the eastern portion of the County was presented to Council and received for information.

A request for increased car allowance for employees using private vehicles for County business was presented to Council for consideration. It was agreed that this request not be considered at this time but be dealt with when 1973 rates are reviewed as the budget for 1972 has been set.

Information received concerning the construction of a feed lot on the SE 35-52-27-4 by Mr. Donald Gray was presented to Council. On advice from the County Solicitors it was agreed that representatives of the County, their Solicitors and Mr. Donald Gray and his Solicitors meet to further discuss the above matter. It was further agreed that Reeve Miller and Councillor Mann be appointed to represent the County at this meeting.

Business arising out of the minutes of the regular quarterly Fire Chiefs' meeting held June 22 was discussed. It was agreed that each fire department receive a grant of \$300 per year to cover miscellaneous expenses. It was agreed that a member of Council be appointed to act as chairman at the Fire Chiefs' meetings. Councillor Mann was elected to act as chairman at the Fire Chiefs' meetings.

It was agreed that each fire department receive a grant of \$100 to send a member of its department to Fire Training School.

It was agreed that Fire Chiefs be paid for time lost from regular employment to investigate the cause of a fire.

It was agreed that the minutes of the Quarterly Fire

Chiefs' meeting held June 22 be accepted.

An account in the amount of \$15 submitted by the Town of Drayton Valley requesting the County to absorb a portion of the cost to purchase, open and close a grave for Nick Rudski was presented to Council for consideration. It was agreed the County not accept this account as same is the responsibility of the Dept. of Social Development.

A request from Mr. Gus Koetter of Lodgepole to lease the Town Office building in Lodgepole for living quarters and later for a barber shop or requests to lease Lot 8, Block 16, Plan 3504 K.S., Lodgepole for the purpose of building cabin thereon was presented to Council for consideration. It was agreed that the County not lease the Town Office building to Mr. Koetter. It was agreed to lease Lot 8, Block 16, Plan 3504 K.S., Lodgepole to Mr. Gus Koetter for 1972 at a rental rate of \$25. Councillor Bailey recorded a negative vote on this motion.

DRAYTON VALLEY

TOWN OF DRAYTON VALLEY

EMERGENCY WATER USE NOTICE

The Council earnestly solicits your aid in maintaining a balance between the supply and demand of our communal water supply. The Town is presently in the throes of constructing a Water Treatment Plant on the bank of the North Saskatchewan River. The pipe line has been installed and the river intake portion has been completed. However until the plant itself has been completed we must continue to rely on the water wells as our source. During the latter years these wells have been gradually becoming less adequate - both from the point of view of not being able to produce as much water and more and more water being required because of growth and expansion of the town - until each year the supply becomes less and less able to meet the demand.

It is pretty well assured that this will be the last summer of rationing, as the new plant should be in operation by September. In the meantime we as householders are asked to curtail our water use to insure that everyone gets a fair share and there will still be some in reserve for fire safety measures. If all use water reasonably and in accord with the rationing program directive below, there should be no real hardship for anyone.

LAWN, GARDEN & TREE WATERING SCHEDULE

PERMITTED IN THE TOWN OF DRAYTON VALLEY

NORTH SIDE OF 50th AVENUE

Mondays - Wednesdays - Fridays

Water Between 7:00 p.m. and 9:00 p.m. SHARP

SOUTH SIDE OF 50th AVENUE

Tuesdays - Thursdays - Saturdays

Water Between 7:00 p.m. and 9:00 p.m. SHARP

WATERING PROHIBITED

ALL DAY SUNDAY

Rationing of water may be instituted by a Municipal Corporation when the necessity of same becomes apparent. Our water supply situation is now such that it is deemed necessary to institute the program of rationing as outlined above. Anyone contravening this rationing directive will be liable to prosecution.

The Mayor and Council are confident that the water users in Drayton Valley will react favorably to this emergency measure and co-operate completely.

Wildwood Club Reports Finances

The Semi Annual financial report of the Wildwood and District Booster Club shows net earnings of \$849.55 to date.

The money has been earned by bingos, raffles, and a walkathon. Two donations have been received from other organizations in the Village. The C.W.L. donated \$25.00 and the Wildwood Ladies Softball Club donated \$100.00 which is to be used solely for the development of the Memorial Park near the community hall.

To date, the club has donated \$86.83 to the Public Library, purchased a record player for the playschool at a cost of \$23.85, purchased a P.A. system (portable) on which \$76.45 has been spent.

The expenditure on Memorial Park so far is \$220.69; fire victims, Mr. and Mrs. Ahlskog, and Mr. Kincart were assisted, for \$30.

Registration of the club, hall rental for meetings, postage and miscellaneous costs came to \$30.43. The Booster Club has funds of \$37.73 in its savings account, and \$343.57 in its current account. Some of these funds have to be reserved so the club can guarantee payment at bingos or raffles.

"Hort Week" At Olds

Are you interested in horticulture? Would you like authentic up-to-date information on new developments in the industry? Then enroll now in "Hort-Week", scheduled to take place at the Olds College from August 7 to 11.

There are five separate courses in this year. The first three days will be devoted to the growers' clinic and the advanced commercial floral design school. The four-day basic commercial floral design school will start on August 7 and finish on August 10. The horticultural science school and the homemakers' flower arranging course will be held on August 10 and 11.

The growers' clinic is open to anyone operating or working in a commercial greenhouse or nursery. Among other things, it will cover the latest in bedding plant culture; new bedding plant varieties; ornamental research programs; recent research information on commercial greenhouse production of tomatoes, lettuce and cucumbers; supplementary lighting for greenhouse crops; control of the greenhouse environment; cost accounting of greenhouse crops and propagating and "growing-on" techniques for geranium culture. The fee is \$40 per person.

The advanced commercial floral design school is open to anybody who has taken a basic course and has had some experience. It features advanced techniques in floral design and will provide students with an opportunity to work under the supervision of qualified instructors. The fee is \$45 per person.

The basic commercial floral design school is open to anyone who wants to improve his skills in handling and arranging flowers. It will feature the mechanics of flower arranging, wiring and taping, use of ribbons plus the opportunity to develop skill in a number of basic designs. The fee is \$55 per person.

The horticultural science school is intended for people who want to update their knowledge of sciences related to horticulture. It will be of special value to candidates enrolled in, or intending to enroll in, the Canadian diploma in horticulture assessment program. The fee is \$20 per person.

The homemakers' flower arranging course is an introductory course in arranging garden flowers for the house. The fee is \$8 per person.

Registration forms are available from the department of extension, University of Alberta, Edmonton.

Fishing Derby for Alberta

The annual MARK TEN Fishing Derby has been established in Alberta.

The Derby, set up in cooperation with the Alberta Fish and Game Association, offers 10 trophies including the outstanding fly fisherman trophy and the grand trophy for the MARK TEN Champion Angler.

To be eligible, contestants must register the largest fish caught in the following categories: Brook, Rainbow and Lake Trout, Arctic Grayling, Whitefish, Northern Pike, Walleye and Perch. All catches must be verified on a government scale and caught between May and December 1. They should be registered with the Derby Control one week after the closing date.

New Marriage Directives Issued to Catholics

From now on, there are apt to be fewer teen-agers married in churches of the Edmonton Archdiocese -- and fewer marriage break-ups, later.

Because of the failure rate among marriages where either one or both partners were aged 19 or under, and the number of applications for annulment to the Regional Marriage Tribunal in Edmonton, new directives regarding the preparation for marriage of persons in this age group have been issued with the approval of Archbishop Anthony Jordan, OMI, of Edmonton.

Under these new directives, which already have been sent to priests of the archdiocese, the couple must see their parish priest four months before the date they wish to marry.

They will be interviewed by the priest, both together and separately, to determine whether they're mature enough to marry, or whether they wish to do so, for instance, to escape an unhappy home situation or because the prospective bride is pregnant.

Pregnancy won't automatically gain them permission to marry.

In some cases, where pregnancy, or obvious immaturity, or other problems are involved, the young couple will be referred to a counselor for help. In all cases they will be required to take a pre-marriage preparation course.

Their parents will be interviewed, to find out whether they feel their son or daughter is mature enough to marry.

If there's a personality conflict between the parish priest and the young couple, they will be referred to another priest. But permission for all marriages where one or both young people are under the age of 19, must be granted by officials of the archdiocesan chancery office.

Inactive Catholics who wish to marry in the Church will be encouraged to take instructions. But if they show no respect for the religious dimension of marriage, they will be told that marriage in the Church would have no meaning for them.

Those who marry outside the Church, and then apply to be married before a priest, won't receive automatic permission to do so. The directives recommend that the priest be sympathetic, but ask them to wait a year, before convalidating the marriage.

Alder Flats Couple Feted On Golden Anniversary

A large gathering of relatives and friends were on hand at the Alder Flats Community hall on Saturday afternoon and evening, July 15 to honor Mr. and Mrs. Anders Larson on their 50th Wedding Anniversary.

Open house was held from 4 p.m. to 8 p.m. and a delicious turkey and ham buffet supper with all the trimmings was served by the Alder Flats Legion Ladies Auxiliary.

Life long friends from Alder Flats, Mr. and Mrs. Phillip Wennerstrom were seated at the head table with the honored couple. The table was adorned with golden candles, flowers, and a three-tiered wedding cake, made by their daughter-in-law, Doris

Larson, and beautifully decorated by Mrs. Annie Capanik.

Mr. and Mrs. Larson were married December 17, 1922 in Grafors Halsinland, Sweden. They came to Vancouver, Canada in 1926 where they spent the winter. They moved to the Gladstone district north of Bawlf, Alberta in the year 1927, where they farmed until moving to Alder Flats July 6th, 1936, where they settled on their homestead, 1/2 mile south of Seely's Esso station, or over 'Larson's' Hill. They resided there until taking up residence at the Peace Hills home in Wetaskiwin in 1968.

Mr. and Mrs. Larson were both born in Grafors Halsinland, Sweden. They have four children, who were all

able to attend the memorable occasion. They are: Lars of Alder Flats, Julia Sefried of Camrose, Agnes Payne of Calgary and Norman Hingston of Oakville, Ontario. They also have 17 grandchildren and 5 great grandchildren.

Their son-in-law, Lyle Payne, acted as Master of Ceremonies for the occasion and read messages of congratulations from Rusty Zander, M.L.A. from Drayton Valley, Premier Lougheed, Lt. Governor Grant MacEwen and from family and friends.

Mr. Wennerstrom proposed the toast to the bride and groom of fifty years, at which time he told of meeting Mr. Larson 62 years ago on a train travelling to Eyebrow, north-west of Regina where he was building a grain elevator. Mr. Larson and a friend were going out there to visit a friend and ended up working on the elevator too. Mr. Wennerstrom hadn't seen Mr. Larson again until 1932.

Mr. Wennerstrom made the presentation of the purse of money to the couple on behalf of those present. Larsons also received some gifts and numerous cards. The children of Mr. and Mrs. Larson were called on by the M.C. to relate some outstanding incidents from the past with their parents, then most of the guests were called on to introduce themselves and tell where they were from.

Everyone danced to music supplied by Ray Thompson square dance P.A. system.

Out of town guests were from the Gladstone district, Holger Swenson, Mr. and Mrs. Oscar Pehrson, Oscar Sunflo, Mrs. Palma Paulson, Eugene Meadahl, Mr. and Mrs. Irving Peterson, Mr. and Mrs. Henry Peterson, Mr. and Mrs. Fred Sorenson and Mr. and Mrs. Einor Rassmasson; from Wetaskiwin, Mrs. Gladys Proudly, Mrs. Joyce Bergquist, and Mr. and Mrs. Roy Pye; from Wainwright, Mr. and Mrs. Byron Iverson and family; from Edson, Mr. and Mrs. Randy Stienner; from Bonaccord, Mr. and Mrs. Bill House; and Alex and Diane Lee and Alana and Karen Larson from Edmonton.

Parkland Declares Division Champs

Parkland Baseball and Fastball Association has declared the Division champions in all 20 Parkland leagues. Division champions will now be playing for the Parkland Championship.

Fastball Division Champions: 12 and under girls, Stony Plain (Eastern Division), Wabamun (Central Division), and Wildwood (Western Division); 14 and under girls, Spruce Grove and Ramona; 16 and under girls, Wabamun and Entwistle; ladies, Stony Plain and Tomahawk.

Seba Beach 6-9 year-old mixed team has been declared the Parkland champion for that age group.

Baseball Division Champions: Mosquito baseball, Spruce Grove Expos, Wabamun, and Wildwood; Beaver baseball, Spruce Grove White Sox, Wabamun, and Tomahawk; Bantams, Stony Plain and Gainford. In Midget action, Stony Plain and Spruce Grove are completing a best-of-three Parkland series to decide the champion.

Men's baseball standings to July 19 put the Holborn team in first place with 17 points gained in eight wins, two losses, and one tie.

Easyford holds second position with seven wins, one

loss, and one tie for a total of 15 points. Brightbank follows closely in a seven-win, four-loss total of 14 points.

Enoch has won four and lost five to gain eight points, and Highvale has six points in three wins and six losses.

Spruce Grove holds the bottom position with 11 losses.

Moonshine Melita took first in her class at the annual Tri-Alta Appaloosa Horse Show in Ponoka July 16, and was judged the Reserve Champion Mare.

Local Horse Wins At Ponoka Show

Moonshine Melita, a two-year-old filly owned and raised by Mr. and Mrs. Walter Meston of Violet Grove, placed first in her class at the 1972 Tri-Alta Appaloosa Horse Show in Ponoka Sunday, July 16. She was also judged to be the Reserve

Champion Mare overall at the show.

Mr. and Mrs. Meston, who raise "Moonshine Appaloosas" had other horses also place. Two of their stallions, Makwa and Moonshine G, placed third in the two-year stallion class and third in the Get of Sire class, respectively.

Raising and showing Appaloosas is not the limit, as Mestons also enter an occasional race. Another stud, Moonshine Martini, placed third in an open race in Fort Assiniboine July 1, and runs again August 12 in Stettler.

VILLAGE OF EVANSBURG

NOTICE

By authority of the following by-law changes in water rates are now effective in the Village of Evansburg

BY-LAW No. 260

A BY-LAW OF THE VILLAGE OF EVANSBURG TO PROVIDE FOR AN AMMENDMENT TO THE BASIC RATES AS SET OUT IN BY-LAWS No. 162 and 164.

WHEREAS due to the increased operational costs of the Water Distribution System the council of the Village of Evansburg deems it necessary to increase the basic water service rates as set out in Section 1 of By-law No. 162 and the ammendment of Section 1 (b) by By-law No. 164.

NOW THEREFORE THE COUNCIL OF THE VILLAGE OF EVANSBURG under authority of Section 277 (b) of the Municipal Government Act being Chapter 68 of the Revised Statutes of Alberta and ammendments thereto in council enacts as follows:

THAT Section 1 and the ammendment thereto be ammended to read as follows:

1. That every person, firm or corporation served directly or indirectly by a connection with the Water Distribution System or any other source of the Village of Evansburg shall pay monthly to the said Village the water service charges as follows:

(a) Metered households, apartments (per meter), motels (per meter), hotels, restaurants, service stations and beauty parlours shall be at the rate of:

\$6.00 minimum per month up to 3000 gallons and each additional 1000 gallons at a rate of \$1.50 per month. Non-metered flat rate for above shall be a minimum of \$6.00 per month.

(b) Industries, creameries and pasteurizing plants shall be at a minimum rate of \$6.00 up to 3000 gallons of water consumption and the next 50,000 gallons at a rate of \$1.00 per thousand gallons then any consumption of water over 53,000 gallons at a rate of .75¢ per thousand per month.

(c) Stores, offices, halls, poolhalls and churches at a flat rate of \$4.50 per month. If metered the scale rate of Section (a) is applied.

(d) Schools a flat rate of \$3.00 per room per month.

(e) Persons obtaining water from an outside tap or a village well shall pay \$1.50 per month.

(f) For the purpose of watering stock \$2.25 per month per head.

This by-law becomes effective commencing with the current water billing period.

Read a First time this 14th day of June, 1972
Read a Second time this 14th day of June, 1972
Read a Third time and finally passed in council this 14th day of June, 1972.

READ A FIRST TIME the 13th day of July 1972.

Yellowhead Board Regular Meeting

Present at the regular meeting of the Yellowhead School Division Board were trustees George Monsma, A. L. Fausak, A. E. Winfield, Mrs. T. D. Nelson, Dr. I. W. C. Reid, M. A. Collin; County of Parkland Representative, Mr. J. Clark; Superintendent of Schools, B. A. Chandler; and Assistant Superintendent, D. S. Blundell.

The Board decided to hold two meetings per month. On the second Wednesday of each month the Board will hold a closed meeting while on the following Thursday the regular public meeting will be held.

Resignations were accepted with regret from the following teachers: Mrs. B. Higgins, C. Mann, G. Mowatt, Miss F. Pokeda, R. Davidson, Miss L. Draper, Miss K. McGie, J. Dean, Mrs. M. Dean, J. Baby, and Mrs. M. Sarkissian. Concern was expressed by Mr. Chandler that a few teachers had waited until the deadline to resign and this was causing problems in finding competent replacements.

At Mrs. Sain's request her teaching time was reduced from full-time to half-time.

A number of teachers were appointed for the 1972-1973 school term. They included: A. Priegert, Principal of Fulham School; Miss G. Purnall, Music, Mountain View; H. Hiller, Band and Science, Harry Collinge; Mrs. B. Tippler, Business Education, Harry Collinge; Miss M. Derk, Music and grade IV, Central Elementary; Miss R. Schweitzer, Physical Education, Parkland Composite; H. Vitovec, Industrial Arts, Grand Trunk; Miss B. Mills, Home Economics, Grand

Trunk; Mrs. G. Chidlaw, Home Economics, Harry Collinge; W. Newman, Science, Jubilee Junior; and W. Smith, Physical Education, Wildwood.

Students who had been on bursary with the division were placed as follows: Miss V. Fausak, Primary, Mountain View; D. Maine, Physical Education, Harry Collinge; H. Von Hacht, French, Pine Grove and Central Elementary; Miss D. Kehler, Business Education, Parkland; Miss W. Pulishe, Primary, Niton; Miss J. Pulishe, Home Economics, Parkland; and Miss G. Van Meetelen, Special Education, Evansview.

Mrs. A. Kylo and D. Griffiths were granted a leave of absence for the 1972-1973 school year.

The retirement of H. Monaghan as Special Education Teacher at Jubilee Junior High School was accepted with regret.

The Board decided on a school year of 192.5 instructional days. The school year for all schools except in Hinton will start on August 28, the last day of school before Christmas vacation will be December 15, classes resume after Christmas on January 3, and because Easter comes so late in 1973 the Easter week vacation will precede Good Friday so the last day of school before the Easter break will be April 13, classes will resume again on April 24, and classes will be dismissed for summer vacation on June 29. In Hinton, the school year will commence on September 6 and classes will be dismissed for Christmas vacation on December 22. The

only other difference in the school year at Hinton will be the deletion of Farmers' Day. The Board had held meetings throughout the division and the decision regarding the school year reflects the majority of opinions of electors at these meetings. It was noted that no electors attended the meeting which was held in Edson and; therefore, the Board had received no viewpoint from Edson.

On a trial basis for the month of June the school hours at Marlboro were changed to 8:00 a.m. to 12:00 noon and 1:00 to 2:15 p.m.

The building committee was authorized to inspect the oldest portion of the Evansburg High School to determine what should be done with it prior to winter. The only portion of this building which will be used for junior high school are four classrooms and the gymnasium.

Board approval was given to appoint an assistant principal at Mountain View School. This appointment had been delayed pending the report of the committees studying the role of the school's administration.

A report was received on a break-in at the Pine Grove and Central Elementary schools. The money taken at the break-in at Pine Grove School will not be replaced by the Board since it is contrary to policy and regulations to keep money in schools after school hours.

The Board received a report on the student exchange program between the Niton Central School and Archbishop MacDonald High School in Edmonton. The

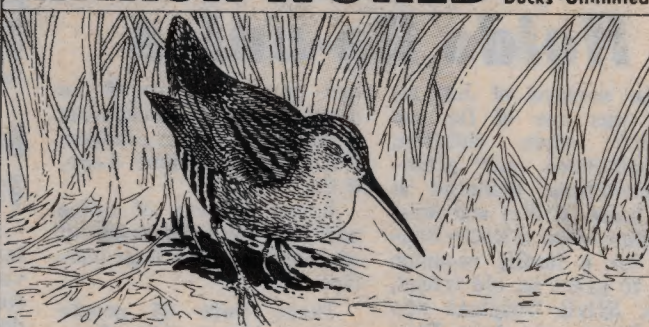

purpose of the program was to expose students to different social, educational, and economic conditions as a part of Grade X study of regional differences. The program was felt to have achieved this objective.

The Evansview Staff report on the evaluation of the elementary report card by parents was discussed. It was noted that parents have generally accepted the new reporting system and were particularly pleased with the increased emphasis on parent-teacher conference.

Information was received on two projects approved under the Education Development Fund. A project submitted by the Science teachers at Jubilee Junior High to implement the "Time, Space, and Matter" program in grade VIII had received committee approval. The committee authorized \$366.62 for materials and two days time for two teachers to write behavioral objectives to guide the evaluation of this project. A request for \$284.00 financial assistance and nine days time free from teaching was granted to Mr. A. Deleff of Jubilee Junior High School for planning and preparing the teaching material for a Social Studies unit entitled "West Meets East".

It was reported that Mr. G. Smith and Mr. A. James have agreed to take the Teacher Preparation Course for Driver Education 10 and then will teach the in-car portion of Driver Education 10 at Harry Collinge during 1972-73. One is to be selected to teach the in-class portion of the course. Still with Driver Education it was reported that the Department of Education has made it possible for teacher aides to take the preparation course for teachers and this would qualify them to teach

MARSH WORLD by ANGUS SHORTT Ducks Unlimited

VIRGINIA RAIL — About the same size as the sora, this rail differs in having a long, tapered bill which is dark above and red-orange below. Sexes are alike, dark brown above streaked with black, the breast is chestnut, paler on throat, cheeks grey, flanks and undertail black barred with white. Favors cattail marshes where its basket-like nest is built over or near water. Breeding range more restricted than that of the sora; from southern Maritimes, southern Quebec and Ontario to south-central Manitoba, Saskatchewan, in Alberta up to the Athabasca Delta, in B.C. confined to a small area of the southern interior and Vancouver Island.

The Historical Branch of the City of Edmonton Parks and Recreation Department has been researching information about the Hudson's Bay Company Fort Edmonton as it was during the 1840's, in preparation for an authentic reconstruction of the post.

Much of the knowledge of

this fort in the 19th century is derived from Fort Edmonton Journals of Daily Occurrences which are now in the Hudson's Bay Company Archives. Unfortunately, all of the Journals between the years 1834 and 1854 are missing, but it is possible that they still exist somewhere, perhaps in a private collection.

If any readers have information concerning the whereabouts of these missing journals, the research consultants would appreciate hearing from them at: The Historical Exhibits Building, 10105-112 Street, Edmonton, Alberta, T5G 0H1.

Louth Family Holds Re-union

The weekend of July 21, 1972 was one of fun and activity when children, grandchildren and great-grandchildren gathered at the home of Mr. and Mrs. William Louth of Rocky Rapids for a family re-union and to greet an old friend, Mrs. Sylvia Coupland who has flown over from England for a two month visit. Numerous tents and trail-

ers sprung up around the house as people arrived from Edmonton, Calgary, Jasper, Edson and Williams Lake, B.C.

Large amounts of coffee and food were consumed out of doors around a huge bonfire.

There were 35 people present. Mr. and Mrs. Gordon Louth of Smithers, B.C., Mr. and Mrs. William Turn-

bull and family of Ft. Mac-Murray, and grandchildren from Calgary, Smithers, B.C. and Grellen, Colorado, U.S.A. were unable to attend.

Bantams Win First Round

The M&R Trucking Bantams Baseball team advanced to the second of the Northern Zone Playoffs Sunday by coming from behind a 9-1 score to defeat Edmonton Mayfield 10-9 with three runs in the bottom of the seventh inning.

Mike Koebernick took his second win of the season by surviving a second inning of six hits and three walks, and limiting Edmonton to three hits for the remaining five innings.

Brian Hagman led the Truckers with four runs batted in and key defensive plays at third base.

The second game Sunday was an exhibition game with all the second-stringers in action. The Truckers lost 18-8, the first loss for the team this season.

The second round in zone playoffs begin this Sunday against Stony Plain at Drayton Valley at 1:30 and 4:00 p.m.

W.I. Girls' Club Week

Alberta Women's Institute Girls' Clubs held their annual convention July 3-6 at the Olds Agricultural and Vocational College.

Drayton Valley club members Christine Mezzo, Cathy Brown and Avalie Peck attended this year's convention.

Some 22 clubs were represented this year. Activities for the four-day gathering included fashion shows, a number of parties, public speaking contest, handicrafts, horticulture and good grooming classes, a track meet, a barbeque, tea, and amateur hour in which each club supplied some form of entertainment. As a final activity the girls attended a formal banquet.

Mrs. O. Brown is the supervisor of the local club but as she was unable to attend, Mrs. Rassmussen accompanied the girls to Olds. The Drayton Valley club made a good showing in the handicraft and sports competition.

If any girls (grade four and up) are interested in joining the local club they may contact Mrs. Brown at 542-3943 this September.

Buck Creek News

spent a couple of days at Sylvan Lake as well.

Mable and Lloyd Nelson and family spent their holidays at Lake Cowichan on Vancouver Island and visiting in Washington. They drove out over the Yellowhead and returned through the Roger's Pass.

Ruth Smestad and Lud Fremstad spent Friday in Edmonton visiting at the hospital with Harry Nielsen and at the Knudskov home.

The Teen dance on Friday night had a good crowd. The chaperones were Lil Gailey and Tillie Eliuk.

George and Marie Clark have moved back to their farm.

Brenda Bara and Myrtle Nelson have received their reports and both girls will graduate this fall. Myrtle has employment at the Treasury Branch at Breton. Gary Nelson has a summer job with Gooding and Matt.

Vicky, Gordon and Tony Steffenson took Kathy Regenwetter to Kelowna, B.C. to visit her brother Louie and family. On returning home, the Steffensons visited the E. Anderson home at Enderby.

Mrs. Carrie O'Berg and Brent, Ken and Sylvia Kindrachuk spent the weekend at the O'Berg home. Mrs. O'Berg and Brent are staying on, while Sylvia and Ken return to Calgary.

Mr. and Mrs. John Weber, Nancy and Kim from Kathryn, Alberta and Mr. and Mrs. Magnus Schlesing-

er of Delta, B.C. were visitors at the Whittaker home Monday.

News from the bee farm -- bears seem to be plentiful in the district. One yard had 19 hives destroyed and several yards have been molested with less serious damage.

Lindale News

Happy travelling to Orville Johnson who is visiting his sisters and other relatives in Wisconsin.

Get well wishes go out to Julian Lachance who is in an Edmonton hospital.

Enjoying a picnic lunch in Lindale school grounds, one afternoon last week, were Mrs. Ruth Hotchkiss, and her daughter Jean. Mrs. Hotchkiss is the former Ruth Colby, who lived and attended school here several years ago. She now makes her home in Edmonton.

Get well wishes go out to Bobby Maxwell who had his tonsils removed recently in Drayton Valley hospital.

Joyce and Francis Lachance and family returned from a five-day holiday in B.C. and Washington.

Nancy Bijou is attending a 4H Youth Seminar at N.A.I.T.

Layne Hutchinson is home again after spending two days in hospital, with a badly cut finger. Ethel Hutchinson is also home after spending a few days in Berrymoor visiting the Pischke family.
